

December 15, 2009

The 60th Annual Ice Show "Then and Now, 60 Years of Memories", presented by the Chatham Skating Club is coming to town Saturday February 27, 2010. The Chatham Figure Skating Club (a non-profit organization) is undertaking a fund raising campaign in order to off-set the rising cost of ice. This year we are completing two fund raisers; selling advertising ads for our ice show program brochure and web site, while the other is volunteering our time through Operation Red Nose.

Our Ice Show celebrates all of our skaters' accomplishments and allows them to demonstrate them to their family and the community. It includes all of our skaters from the beginner preschool skater to our national competitors.

We are developing a program that will be available at the Ice Show for every skater. The program will list the names of the skaters in the number in which they will skate, plus it will also include a **special thanks to our, "program and ice sponsors"**. The program will be handed out to all of our families involved in the Chatham Figure Skating Club. We also will be planning an on-line auction again this year which draws attention to our web site and supporters. This is an excellent way for you to get your name out into our community and support our youth.

We would like you to consider placing an advertisement in our program and on our web site. The web advertisement will stay for one year.

Description	Cost
Full Page Single Colour - Back of 1st Page, includes web site AD	\$300
Full Page Single Colour - Back Page, includes web site AD	\$200
Full Page Advertisement including web site AD	\$125
